Lease Signed yet?

If you have not yet signed your lease, please sign the digital lease that was sent to you via email. After you sign, the lease will then go to the Owner to sign. Once all parties have signed, a copy is sent to you, the Owner and to Schlosser, via email. If you are unable to locate your lease, contact rich@Sre1.com.

Making Payments

Please read your lease carefully and make the required payments to Schlosser Real Estate according to the dates specified on the lease. We may not always be able to accept Venmo payments. Venmo imposes limits on our account which do not allow us to collect and payout money to the owners in the timeframes necessary. During busy times, we may need to prohibit Venmo payments. Therefore, there may be times which we can only accept credit card payments through our merchant account in which there is a credit card convenience transaction fee. You must also know that there are very limited buyer protections when

using Venmo. Once a payment is sent, it is not able to be reversed.

You can always mail your payment by check to:

Schlosser Real Estate Inc.
600 Grand Central Avenue
Lavallette, NJ 08735
